SHORT FILMS (JT)

INT. BEDROOM NIGHT

ALEC

After five hours of constant writing... I've done it. This is what JT asked for. Everything he asked me to correct is done. He's gonna love it.

ALEC emails JT the script and goes to bed. His phone beeps a few seconds later.

That was fast. He said... Talk to me tomorrow while we need to rewrite it... because it's not appropriate for school... and we won't even get to film it because we won't have time because of the time it took to film one of the others... NUTS!
